

Effective CRCG Members

As a CRCG member, the more you contribute to the strength, capacity, and effectiveness of your CRCG, the greater the value it will be to your community, your agency, and to you. The following list recommends ten things you can do to increase your effectiveness as a CRCG member.

1. Educate yourself about your CRCG.
2. Attend CRCG meetings consistently.
3. Get to know other CRCG members.
4. Take on a leadership role.
5. Be an empathetic listener.
6. Contribute ideas to the ISPs.
7. Commit your organization's resources as appropriate to the ISP.
8. Refer individuals from your organization to the CRCG.
9. Educate others in your organization about the CRCG and its value to your agency and the people you serve.
10. Build your cultural competency.
